Town Warrant.

THE STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Greenville, in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Greenville on Tuesday, the eleventh day of March next, at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.
3. To hear reports of agents, auditors, committees and officers heretofore chosen, and pass any vote relating thereto.
4. To see if the town will vote to authorize the Selectmen and Treasurer to borrow money for the use of the town.
5. To see if the town will vote to raise and appropriate a sum of money to decorate Soldiers' graves.
6. To see if the town will vote to raise and appropriate the sum of one thousand dollars to reduce the town water system debt.
7. To see what sum of money the town will vote to raise and appropriate for the repairs of sidewalks.
8. To see if the town will vote to repair and make alterations upon the town building, decide how said repairs and alterations are to be paid for and raise or appropriate such sum of money as may be necessary to carry said repairs and alterations into effect, or take any action thereon.
9. To see if the town will vote to give a rebate on taxes paid before a date to be decided upon at this meeting or take any action thereon.

Given under our hands and seal, this twenty-fourth day of February, in the year of our Lord nineteen hundred and nineteen.

	§ 24,903 05

Respectfully submitted,

Henry P. Gainey,
 Fred A. Cournoyer,
 George E. Robbins,
Selectmen of Greenville

Report of Fire Wards.

We respectfully submit the following report for the year ending Jan. 31, 1919.

The apparatus now in use consists of one chemical engine equipped with two 35-gallon tanks, 200 feet of chemical hose, eight fire extinguishers, two ladders and one axe.

One hose wagon, which will carry eight hundred feet of fire hose, one hose reel, and of fire hose.

During the year the department has answered to three alarms. The first of the year was on Feb. 17, at the home of Hon. H. J. Taft on Main street, which proved to be the most obstinate one the firemen have had to fight in a number of years, the fire having worked its way from cellar, causing great loss by fire and water.

The fire at Henry Martin's on Mill street, Oct. 3, when Mr. Martin was burned to death, did but little damage to the house.

On Nov. 30, at the home of Esdras Duval the department responded to the call of a chimney fire.

A great many still alarms have been answered to, which, if not, might otherwise have proved serious.

The members of the Fire Department wish to thank all who assisted in any way at the Taft fire.

The company appeared in uniform May 30 by invitation of Herman Shedd post, G. A. R.

Respectfully submitted,

VICTOR L. PARKER,

JOSEPH A. NAULT,

WILLIAM H. DOONAN,

HARLIN P. UPHAM

Sec'y-Treas.

MISS JOSEPHINE M. TAFT

Librarian

Books loaned,	3,330
Number of visitors,	2,529
Books purchased,	146

The books purchased include 10 of Young Peoples' Bookshelf, 10 of the works of James Whitcomb Riley and 12 of O'Henry's works. 14 books have also been presented.

There has been an increase of 33 per cent. over the previous year in the number of books loaned.

The annual library day of the Greenville Woman's Club was held Jan. 18, 1919. Rev. G. Ernest Merriam, of Fitchburg, Mass., gave a most able and inspiring address upon "Art, Music and Literature."

In the death of Hon. Herbert J. Taft, the treasurer of the Library Trustees, we have sustained an irreparable loss of one who was a conscientious worker for the best interests of the library for a period of over twenty-five years.

Report of Cemetery Trustees.

The past year the cemetery trustees have kept the cemetery as best they could with the means at hand. You all know we have no funds to work with except for perpetual care lots, unless someone who has a lot there and asks us to look after it and pays us for what is done. We would suggest that all who look after their own lots would do so early in the spring and at frequent intervals during the summer, especially at the memorial time to see that their lot has the grass cut and is cleaned up, so that our cemetery will give a good appearance all through, when so many of our old friends come back to look at the last resting place of their loved ones. This cannot be done without the co-operation of all.

Flowers were placed upon all perpetual care lots on Memorial Day.

HARRISON M. LIVINGSTON,
ALVIN GREENE,
VICTOR L. PARKER,

Cemetery Trustees

Report of Auditors.

We have examined the account of the following town officers: Selectmen, Town Treasurer, Water Commissioners, Fire Wards, Cemetery Trustees, Library Trustees, School Board and School Treasurer for the year ending Jan. 31, 1919, and find them correctly cast and properly vouched.

We find that the Road Agent's bills rendered to the Selectmen correspond with the orders issued to him.

J. C. TAFT,
E. P. SHERMAN,
C. E. SAWYER,

Water Commissioners.

NOTE.—By an error there was a bill of L. C. Blanchard for \$60.00 that was put in report of 1918 for running pipe from foot of Ash street to residence of L. C. Blanchard. The Water Commissioners do not approve of this bill.

Vital Statistics.

In compliance with the laws of this state, requiring clerks of cities and towns to furnish a transcript of the record of

Births.

Marriages

and Deaths

for publication in the annual report, I herewith submit the following report of this town for the year ending December 31, 1918, which, to the best of my knowledge, is correct.

HENRY P. GAINES, *Town Clerk.*

School Warrant.

THE STATE OF NEW HAMPSHIRE.

*To the Inhabitants of the School District in the Town of Greenville,
N. H., qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the eleventh day of March, 1919, at 9 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear reports of Agents, Auditors and Committees or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors and Committee in relation to any subject embraced in this Warrant.
7. To see how much money the District will raise and appropriate for the support of schools.
8. To see if the District will vote to have Medical Inspection and to raise money to carry such vote into effect.
9. To see if the District will vote to authorize the School Board to unite with one or more town districts to form a Supervisory District for the purpose of employing a Superintendent of the Public Schools therein and to raise money to carry such vote into effect.

Report of School Board.

To the School Board of Greenville:

Herewith I submit my first annual report as superintendent of your schools.

Upon taking charge of the administration of your schools, I found them well organized, with competent teachers, and the pupils making good progress. The housing of your pupils was excellent and well kept, and the other equipment was fair. It has been my policy to retain all that I found good in your system and to make only such changes in curricula as would bring us nearer to the state programme of studies and which appeared advisable at the present time, and to make only such additions to the equipment as conditions demanded.

Reading is the getting of thought from the written or printed page. No device of phonics, rhyme, word building, or word analysis will induce the child to gather from the printed page thoughts which he does not care to entertain. On the other hand, the task of teaching the child to read is more than half accomplished when there is placed in his hands such reading matter as will appeal to him and hold his interest. It is true that by phonic or other devices the child may be trained to a process of word calling, which may appear to the hearer as reading but which arouses no thought in the child's mind and establishes a pernicious habit which it is almost impossible to break up in later years. I have found it necessary to procure considerable additional reading materials for the first three grades, and I have been guided in my selection by what I have found from experience readily holds the interest of the child.

The history course has been enriched by the introduction of biographical readings, "The Builders of Our Country," in Grades IV and V, and by the introduction of ancient history readings in Grade V. The latter change was necessary if we aim to follow the state programme.

In the two upper grades we have substituted junior high school mathematics for the traditional arithmetic. Though this is the only change that seemed to me advisable at the present time, I believe that we should aim to make the work in these two grades conform as soon as possible to that outlined in Curriculum 1 of the state programme of studies. With a junior high school thus established, it

would be an easy matter to add a year of the senior high school work, and even more should the number of pupils warrant it.

The addition to our equipment of a Victrola, which now seems almost in sight, will be a valuable asset. It will enable your supervisor of music and the teachers to reveal to the children the beautiful and ennobling things in music, vocal and instrumental, and will open up for them a field of enjoyment which is for the most of us a closed book.

Thanking the board for their cooperation, support, and consideration, this report is respectfully submitted.

LOUIS DE WITT RECORD,
District Superintendent of Schools.

February 1, 1919.

To the Citizens of Greenville:

Town Warrant.

THE STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Greenville, in the County of Hillsborough, in said State, qualifide to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Greenville on Tuesday, the ninth day of March next, at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the year, and make appropriations of the same.
3. To hear reports of agents, auditors, committees and officers heretofore chosen and pass any vote relating thereto.
4. To see if the town will vote to authorize the Selectmen and Treasurer to borrow money for the use of the town.
5. To see if the town will vote to raise and appropriate a sum of money to decorate Soldiers' graves.
6. To see if the town will vote to raise and appropriate the sum of one thousand dollars to reduce the town water system debt.
7. To see what action the town will take to lower water mains on Pleasant street to prevent freezing and appropriate money for same.
8. To see if the town will instruct the Water Commissioners to secure at once, an equipment for thawing out frozen pipes and to use it when necessary and appropriate money for same.
9. To see if the town will vote to raise the money appropriated last year for changes in Town Hall, Welcome Home Day and tablet for the Veterans of the World War or any part of it, or take any action thereon.
10. To see if the town will vote to place a street light on Mill street near the residence of Paul Paradis, or take any action thereon.

11. To see if the town will vote to extend the fire service pipe on Pleasant street to a point opposite the residence of Mrs. Alma Robbins and raise and appropriate a sum of money for the cost of same.
12. To see what action the town will take in regard to street lighting, as the present contract expires November 30, 1920; appoint a committee to take into consideration the number of lights to have, the time of lighting and cost of same and to make a contract for a term of years, or take any action that may properly come under this article for street lighting.
13. To see if the town will vote to raise and appropriate a sum of money necessary to install a steam heating plant in the town building, decide what proportionate part of the heating shall be charged to each tenant, or take any action thereon.
14. To see if the town will vote to raise and appropriate the money necessary to secure state aid for the permanent improvement of highways and for the maintenance of state road.
15. To see if the town will vote to give a rebate on taxes paid before a date to be decided upon at this meeting or take any action thereon.
16. To see if the town will vote to give Henry J. Leclair Post, No. 13, American Legion, free use of the Banquet hall for Post Headquarters.

Given under our hands and seal, this twenty-first day of February in the year of our Lord, nineteen hundred and twenty.

HENRY P. GAINES,

FRED A. COURNOYER,

EDWARD PELLETIER, JR.,

W. N. PRESCOTT, CONCORD, N. H., DIV. ENGINEER

Welcome Home Day.

At a special town meeting it was voted the a suitable tablet of some kind be placed in the town in recognition of those who went from this town to the world war, and a committee of three be appointed to look into the matter and report at a subsequent meeting. Mr. F. W. Ely, Mr. V. L. Parker and Mr. H. H. Churchill were appointed as that committee.

At a subsequent meeting, they reported that a tablet on a stone would be the best for this town and would recommend the sum of \$450.00 be appropriated for that purpose. This report and recommendation was accepted and adopted. At this meeting it was voted to have a welcome home day for our returned soldiers and the moderator and chairman of board of selectmen were appointed a general committee to appoint other committees and carry into effect the recommendations of the tablet committee and the welcome home day program.

They called to the assistance Mr. V. L. Parker and Mr. H. H. Churchill, and they, with the assistance of several other committees and the generous response of the townspeople, carried into effect the vote of the town on Oct. 13th, with a fine procession, games, sports, unveiling of tablet with an address by Major Frank Knox, of Manchester, and a turkey dinner for all the returned soldiers in town and the grand army men who were present.

The day was ideal and we believe every one had a good time. A grand ball in the evening for the soldier boys and their friends, closed the day.

Report of Fire Wards.

The Fire Wards respectfully submit the following report:

During the past year there have a number of disastrous fires; the most disastrous being the one which took place April 19th, when the garage and store of C. S. Bourgeois and the Congregational church were burned. At one time that afternoon it looked as though it would be impossible to save the upper part of Main street and Pleasant street, as nine different buildings were on fire and the Baptist church four times.

During the year the department has responded to seven alarms. The first fire of the year was Feb. 6 at W. A. Lee's farm. This was a brush fire. March 6th, at Mrs. Carrion's, which did but little damage. April 19th, Mr. Bourgeois' store and garage and the Congregational church. April 26th, Mr. Geo. Shattuck's barn on Pleasant street. May 8th, Mr. Taft's sawmill. Aug. 4th, barn belonging to the Baptist society. Nov. 9th, an automobile belonging to R. Abbott was burned. There were also a number of still alarms.

The Fire Wards wish to thank the Fitchburg, Wilton and New Ipswich fire departments and all others who assisted them on April 19th and August 4th.

During the past year the Fire Wards have built a large hose house at the side of Bourgault Bros. garage, which will hold 200 ft. of hose and other necessary equipment. It was very fortunate that it was there when the barn belonging to the Baptist society burned, as it was from this hose house that the first line was laid.

The company has appeared in uniform on parade May 30th, also on Welcome home day for our World War Heroes, Oct. 13th.

Report of Cemetery Trustees.

We have cared for all the perpetual care lots as best we could. Some other lots need attention but we cannot find any of the relatives to appeal to for their care and as no provision is made for them they are left as they are.

Most of the people living in town, and have lots, take good care of them, themselves, or hire us to do it for them.

We have received from Alvah Merriam estate and Geo. H. Porter estate, one hundred dollars each for perpetual care of their lots.

The rain has washed from the road from time to time so much dirt that some of the paths are filled up over the curb of the lots and ought to be removed.

Flowers were placed on all perpetual care lots on Memorial Day.

Auditors' Report.

We have examined the accounts of the following town officers: Selectmen, Town Treasurer, Water Commissioners, Fire Wards, Cemetery Trustees, Library Trustees, Town Clerk and School Treasurer for the year ending Jan. 31, 1920, and find them correctly cast and properly vouched.

We find that the Road Agent's bills rendered to the Selectmen correspond with the orders issued to him.

The report of the School Board was audited to August 31, 1919, as the school year ended on that date.

WILLIAM B. GRAHAN,
JAMES H. DOWNES,

AUDITORS

School Warrant.

THE STATE OF NEW HAMPSHIRE.

To the inhabitants of the School district in the town of Greenville, qualified to vote in district affairs: You are hereby notified to meet at the Town Hall in said district on the 9th day of March, 1920, at 9 o'clock in the forenoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.
7. To see how much money the District will raise and appropriate for the support of schools.
8. To see if the district will vote to have medical inspection and to raise money to carry such vote into effect.
9. To see if the town will vote to raise and appropriate the sum of \$450 for electric lighting and repair of water pipe of school house.

BRONSON P. LAMB,

TREASURER.

Superintendent's Report.

To the School Board of Greenville-

I herewith submit my first annual report.

Schools opened this year under most favorable circumstances, last year's corps of well trained and capable teachers all returning. Greenville is indeed fortunate in this time of the great shortage of teachers in being able to retain their services for another year and I am confident that the citizens will continue their policy of voting enough money to meet the new salary demands.

It is a well known fact that teachers are notoriously underpaid for the services they render and in comparison with the compensation that women receive in other occupations. Many of our best teachers are constantly leaving the profession to take up more lucrative work. Likewise the normal schools today are attracting fewer of the better type of girls. Superior girls make superior teachers and the country needs good teachers as much, if not more, than ever before. Therefore, let us support heartily the state and nation wide movement for better salaries for teachers and thus fill up our normal schools with the type of girls whom we want to come back and help mould the character of our children.

Following is a table showing the enrollment of the schools by grades for the present year; also the percentage of attendance and the number of pupils tardy.

Enrollment by grades for present school year and attendance record first half of year.

Grades	1	2	3	4	5	6	7	8	Total	%att.	No.tardy
Miss Mildred Russell,	11	8	8						27	88.	17
Mrs. Nellie Hannant,				3	13				16	92.	7
Mrs. Alice Tolman,						10	6	6	22	89.	16
Total,									65	89.7	40

While 95 percent of the parents appreciate the value and necessity of regular and prompt attendance at school, yet a few I fear, are delinquent in this respect. Sickness should be practically the only excuse for non-attendance. Poor attendance means failure in keeping up to grade and is a constant drag to those who attend regularly. Let us all unite then for the good of our schools in the endeavor to raise our record of attendance during the coming year.

May I not take this opportunity to discuss as briefly as possible your school program and indicate the probable trend in your educational system. With a splendid school plant, with thorough going and progressive teachers one can view only with enthusiasm the future of the school. I know of no school in the state that has finer possibilities of serving the educational needs of boys and girls.

We have endeavored this year to get the upper grades organized on a strictly junior high school basis. Already a start has been made by the introduction last year of junior high school mathematics. Perhaps it should be understood at the outset that the work offered does not correspond necessarily to that given in the traditional four year high school, although the senior high school work may be completed in three years by those having had the 7th and 8th grade junior high work in Greenville.

The present program of the eighth grade is as follows: Junior high school mathematics, consisting of some arithmetic and some algebra, elementary science, Latin, United States history and civics, carpenter work for the boys, and cooking and sewing for the girls. Teachers and pupils have taken up the new subjects with much enthusiasm. They are finding elementary science a fertile field for study and first hand investigations, while the boys under the careful guidance of Mr. Nutting are learning by actual practice how to handle the plane, saw, chisel and other tools. They will also learn how to sharpen their own tools and keep them in good repair. At present they are making a work bench. Much interest has been shown in the project of designing and making playground apparatus in the spring. Miss Sargent, who has taken the place of Miss Staples, as drawing teacher, will direct the work of the boys in mechanical drawing.

At present the facilities for the girls to do efficient work in cooking are limited. Also some simple apparatus for the work in elementary science is needed.

The class in Latin is getting a thorough grounding in the subject and much credit is due Mrs. Tolman for the very efficient manner in which she is handling the advanced classes.

Considerable attention has been given this year to the teaching of civics and the putting into practice on the part of pupils the principles of good citizenship. Pupils should be led to feel that the duties and responsibilities of citizenship are fully as important as its rights and privileges. The school community with its playground, its basement, its recitation rooms and corridors and the many boys and girls who dwell in it, offers plenty of opportunity for practicing real citizenship.

The new educational bill for New Hampshire is of interest to Greenville largely because of its Americanization clauses. Towns having more than 20 adult persons who can neither read nor write the English language are bound by law to establish an evening school. Also if there are 15 or more illiterate minors, between the ages of 16 and 21, an evening school must likewise be established. A very thorough canvas was made by Mr. Wm. H. Doonan and it was found that there were no illiterate minors but that there were about 150 adults who could neither read nor write.

As soon as it became known that an evening school was to be established the whole town, so to speak, set out to make it a success. Never have I seen a finer spirit of cooperation and the result was an evening school unsurpassed in the state for the size of the town.

Very early the Columbian Mfg. Co., through its agent, Mr. Frederick W. Ely, interested itself in the work and the advanced classes have been entirely supported from the funds of the company. I feel deeply appreciative also of the assistance of Father Sylvestre in getting the work started. The three beginners' classes, taught at first by Mrs. Tolman, Mrs. Hannant, and Miss Russell, have met continuously at the public school building. Later these classes were taught by Mrs. Ely, Mrs. Blanchard, Miss Sargent and Miss Taft.

The advance classes were taught by Mrs. Doonan, Mrs. Upham, and Mrs. Scales, and have been reasonably successful. Mrs. Upham's class has held the palm for good attendance. Pending the wiring of the public school building for electricity the advanced classes were held in Mr. Bourgeois' building. No little credit is due Mr. Hannant as attendance officer. The school committee were also untiring in their efforts to make the night school a success.

In conclusion I wish to express my appreciation of the co-operation of the townspeople and the loyal support of the school committee.

Respectfully submitted,

R. P. CURRIER,

SUPT. OF SCHOOLS

School Board's Report.

To the Citizens of Greenville:

We herewith submit the following report:-

On April 30 a war pageant "To arms for liberty" was successfully presented in the town hall. Some assistance was given by others outside the school, but the parts assigned the pupils and the difficult music which they so well rendered was much appreciated. The music was in charge of Mrs. Tolman and Miss Southwick, while Miss Hayes had charge of the costumes which were most effective. The proceeds were used towards the purchase of a Victrola for the schools and which was purchased later in the month. It has been greatly enjoyed by teachers and pupils.

The music for Memorial Day was furnished by the pupils and they also assisted in decorating the soldiers' graves. Lincoln's Gettysburg address was given by Charles Dunbar.

The primary school closed June 19, and on June 20, the class of 1919 presented an especially well prepared program. Diplomas were awarded by Supt. Record to James Mastin, Russell Kimball, Deborah Parker, Esther Dunbar, Exaverine Rodier, Lois Hartshorn, and Joseph Soulier.

In July, Ralph B. Currier of Amherst, was elected superintendent of the district in place of DeWitt Record, resigned.

Welcome Home Day to the returned soldiers of the world war was observed in town Oct. 13. The schools appeared in parade and a float representing the Betsey Ross flag was artistically arranged.

The yearly enumeration by Wm. H. Doonan was made as follows: Total number of children between the ages of 5 and 16, 300; Boys 150; Girls 150.

In accordance with the new educational bill, with its clauses on Americanization, an evening school was opened Nov. 5, details of which are given in the superintendent's report. The wiring of the school seemed a necessity as the evening school must be maintained and the contract was let to J. C. Taft of this town. The work was done during the Christmas vacation and the board invites all who are interested to visit the building and make inspection.

In co-operation with the Red Cross which assumes part of expense, the board made arrangements at the opening of the winter term to serve hot cocoa to all the children who carry their dinners. Each teacher kindly consented to take charge of the work for a week at a time and the board is very appreciative of their willingness to undertake the extra responsibility. Twenty-five children is the average number served each noon.

A dental clinic, in charge of the Red Cross, has also been started for the benefit of the school children. Dr. H. C. Hartwell has been engaged for the dental work and through the kindness of the Columbian Mfg. Co., their emergency room is used with Miss Morris in supervision.

The report of the medical inspector, B. D. Pease, M. D., shows 270 children examined in the public and parochial schools,

but only 32 instances where treatment has been secured or defects remedied. We hope another year with the co-operation of parents, to have a much larger proportion of children reported as having defects remedied.

The financial report has been made out from Feb. 15, 1919 to Aug. 31, 1919, instead of for one year as formerly. This is so that hereafter the fiscal and scholastic years shall end Aug. 31, and begin Sept. 1, in accordance with laws of 1917, 122: 1-3.

A statement of receipts and expenditures up to date is ready for the information of voters if so desired. Acting under the provisions of the Educational Act of 1919, which says "it is the duty of the school board to prepare a budget of the necessary expenses for the support of schools * * * and in its annual report to state in detail what sums of money will be required" the following has been prepared, as recommended by the superintendent.

Estimated expenditures for the school year, Sept. 1, 1920 to Sept. 1, 1921, and recommendations of sum to be assessed for the support of schools.

Budget, School Money.

LENA H. WHEELER,

ELLEN A. HALL,

HARLIN P. UPHAM,

SCHOOL BOARD

Vital Statistics.

In compliance with the laws of this state, requiring clerks of cities and towns to furnish a transcript of the record of

BIRTHS, MARRIAGES, AND DEATHS
for publication in the annual report, I herewith submit the following report of this town for the year ending December 31, 1919, which, to the best of my knowledge, is correct.

HENRY P. GAINEY,

TOWN CLERK
